

Attention all Team Captains.

Because of the ongoing changes to the Covid 19 restrictions, all Costa Blanca Pool League matches will have a start time of 7.30pm instead of the present 8.30pm.

This is to allow away teams and bar staff to get home before the midnight curfew.

To enable you to contact your players quickly and easily, I recommend that you form a group on Whatsapp. That way you only have to send one message and all your team players get it at the same time.

This way, if one or more players are going to be late, they can play near the end of the first five.

Because of this situation, it is important that away teams arrive at the venue in plenty of time. Home teams please allow the away team to have a knockup at least 15 minutes before 7.30pm. **The first match must start at 7.30pm at the latest.**

If the first 5 singles is running behind time, please do not stop playing when the food is served. Ask for three portions of food to be held back until the game is finished.

Team Captains please make sure that all of your players know the Covid 19 information provided in your welcome pack.

I want a response from ALL Team Captains so I know that everyone gets this message.

Please text – **Got it, Joe Blogs, The ??? Pub.**

These are unprecedented and difficult times. Play well and stay safe.

Stan West
