

Update on the Local Covid 19 situation

It has been reported to me that one person in the Torrevieja Ladies dart league has tested positive for Covid 19 and is in a 14 day isolation.

While this does not affect us directly, it served as a reminder to be vigilant and follow the Covid 19 advice in your Welcome Pack and on our website and FB page. www.costablancapoolleague.com and FB, Costa Blanca Pool League

I hope this does not happen, but if you, or anyone you know who plays pool in our league, tests positive for Covid 19, please let me know immediately and I will take appropriate action.

Should our area be forced into another Lockdown, I will have no option other than to postpone our pool league or cancel it altogether.

Play well and stay safe
